DEDICATION

Dedication

We the Class of '64 wish to dedicate this 14th edition of the ARCHIVE to our parents. In this way we hope to show a small portion of our gratitude to them for their patience, consideration and willingness to help us through the years.

ADMINISTRATION

**Supervising Principal
Northern Lebanon
Joint School
System**

Let us create a positive attitude toward education in order that all people may enjoy the cultures of the world. The great paintings as well as great music can be appreciated if we but take the time to acquaint ourselves with their backgrounds. Education must develop intellectual power.

The value of education lay within the minds of each of us. To some of us, education is power, to others, a means to an end, but to all of us education should be understanding.

My advice to you the graduating class of '64 -- Think -- work to the best of your ability -- strive for character and put your faith in God.

Harvey L. Nitrauer
Supervising Principal

You, the members of the class of 1964, will be the first class to have received your entire secondary school education in our new high school. You were provided with better facilities, better equipment, more courses, and a greater opportunity for acquiring an excellent education than any preceding class. Our expectations for your future achievements are therefore considerably greater than they were for the graduates of previous year.

Perhaps it is not until you have left Northern Lebanon that you will fully appreciate the instructions, guidance, challenges, consideration and understanding that were given to you by a dedicated teaching staff. I sincerely hope that each one of you has utilized your ability to learn some of the significant lessons of life namely; to value education, to develop concepts from facts, to accept responsibility, to become more tolerant, to give of yourself for others, to appreciate the great nation in which you live and endeavor to make it greater, to recognize the significance of self-discipline, and to realize that only earnest effort will bring forth worthwhile achievement.

It is my sincere wish that each one of you will find a future filled with challenges, success, and the blessings of life.

The ARCHIVE staff is an industrious group of students responsible for the production of the yearbook. It is the duty of the editor and co-editor to supervise all phases of the yearbook, execute all final decisions and strive for teamwork and promptness. The business manager supervises the sale of yearbook projects related to its revenue. Then there are the typists who assemble the copy material.

A hard working organization, the staff has devoted hours to making this the best yearbook possible.

"Hurricane Harriet"

Under the capable direction of Mr. Milton Mowrer and Mr. Rodney DeHaven, we as Juniors presented this three-act comedy. The play was about a very attractive young lady, Darlene Bates, who got herself quite involved with finding a husband and also the Internal Revenue when she refused to pay back taxes on her cow's milk.

"Absolutely Murder"

The Senior Play Cast is to be congratulated for their superb performances given on November 15 and 16, 1963. The play was under the able direction of Mr. Milton Mowrer. The Seniors can be proud of the distinction of setting a new record for the number of people in attendance for any high school performance at Northern Lebanon. They also excelled in having the largest patron list of any previous class.

Thanks go to the Industrial Arts boys and faculty members who contributed to the success of the play!

The School Emblem And Standard Class Ring - - - - -

The school emblem, first introduced last term, was designed by David Boyer, a member of the class of 1963. The emblem has three basic phases. First, the torch of knowledge, which emphasizes the goal of education. Second, the means of acquiring an education -- the book of knowledge, and the steps to wisdom and success. Third, the reward of an education -- the diploma and mortar board.

We are proud to be the first class to wear the standard class ring. The design of the ring was selected by a combined group of faculty members and students. The right shank of the ring portrays the school emblem and the left shank the Viking, which is the symbol of our school.

The whistle blows! And here comes the high stepping Northern Lebanon Band clad in blue and gold uniforms.

Among the competitions the band entered this year were the Ephrata Fair Parade in which they placed second, and they tied for third place at the Middletown Competition.

They also participated in numerous Halloween parades and they compete annually at the Christmas Parade in Harrisburg. This year both the band and band front received superior ratings. In December, 1962, they captured the M. Claude Rosenberry Trophy which was kept for one year.

Our band was invited to perform at the Pretzel Bowl Game in Reading. As the band snappily marched down the football field, many claps and cheers were heard.

Many honors and awards have been won by the band under the skillful direction of Mr. Harlen Daubert.

One of the fine organizations which has helped
 to bring praises to our school is the Senior High
 Chorus.

The chorus consists of students from grades
 nine through twelve. The group elects officers yearly
 to serve on the council, which is the governing
 body of the chorus.

They engage in many activities during the school
 term. It starts in December when they present
 a Christmas Concert for the public in the school
 auditorium. During January and February they present
 sacred concerts in various churches around the com-
 munity, and conclude the season by presenting an
 operetta in the spring.

The Junior High Band is composed of industrious seventh and eighth graders, with a membership of over seventy. Their instructor is Mr. Harlan Daubert. The Band participates in the Spring Concert and various parades, such as the Memorial Day and Halloween Parades. The band members practice diligently and have hopes of soon becoming members of the Senior Band. The band front consists of majorettes, color guards, and banner carriers. We have faith that in the future, this band will hold high the position our present Senior Band has won in the many competitions. Good luck to the future Senior Band of Northern Lebanon High School!

Fight Team Fight! may be heard echoing from the gym as 10 ambitious girls jump, run, and cheer, and cheer for the Vikings, tirelessly working to keep the Viking spirit.

Girls wishing to be cheerleaders are chosen by faculty members on the basis of their performance at tryouts held in the spring of each year. The rating chart consists of a scholastic standing, character, and cheering ability.

Cheerleading takes a lot of time and hard work. Therefore, the girls must be dependable.

Keep up the good work, girls!

Soccer

We wish to congratulate this year's soccer team for the fine co-operation and skill they have shown in their efforts for Northern Lebanon. Under the able direction of Mr. Myron Hammes, the Vikings finished third in the county.

Junior Varsity Hockey

Hockey has become a popular sport during the six years that it has been played at Northern Lebanon High School. Fifteen hardworking and energetic girls were on the team this year, and they practiced each night after school.

The season started victoriously as the lassies downed South Lebanon 4 to 1. Although the rest of the season was not too successful, we wish them the best of luck in the future.

We also want to congratulate Donna Aurentz, for being named to the All-Central Pennsylvania Scholastic Field Hockey Team.

Both Varsity and Junior Varsity Hockey teams are under the able direction of Miss Martha Mummau.

This year our Varsity Basketball team played with all the vigor and enthusiasm that is needed for the construction of a successful team. The boys were not only successful, but they played with the best and spirit remained high. The team was given the full support of the school, and the great way they played well rewarded the spectators for their support. Coach Rissinger deserves a lot of credit for a job well done.

The Girls Varsity and Junior Varsity Basketball teams, under the coaching of Miss Martha Mummau, should be commended for their season of hard work and good sportsmanship. The Girls Varsity Basketball team has had a hard time breaking into the winners' column this year, however the Junior Varsity team has had a much better season. The teams have spent a great deal of time practicing, and we hope that in the future they will be able to give the other teams good competition.

Best of luck in the future, girls!

Junior High Basketball

The Junior High Basketball Team, with a scattering of experienced boys and new talent both, hoped to capture a share of the basketball dynasty this year for Northern Lebanon High School. The boys are eagerly practicing and anticipating a satisfactory season in league competition.

In addition to the Junior High Team, there is a Junior High Varsity team; which enables the younger fellows to acquire needed experience.

Last year's track team was one of the best track teams Northern Lebanon has had for some time. Five school records were set and one was tied. In the running events, four records were set. The 880 yard relay was lowered by Donald Spangler, Robert Spangler, Paul Spangler, and Gary Shenk. The 880 yard was set by Gary Shenk, as was the mile run, which he won at the county meet for the second consecutive year.

In the field events, one record was set and one tied. John Zimmerman raised the javelin throw distance, and in the high jump, John Thierweeter tied the school mark.

Last year's baseball team was a comparatively young club. The boys showed a lot of energy and desire, and they should be congratulated for the superb job they did.

The team had a very successful exhibition season, under the capable direction of Coach Jandroitz. With more experience, the boys should be ready for another successful season this year.

Softball

The 1963 softball season has proved very prosperous for the Northern Lebanon Girls Softball Team. The girls have put an enormous amount of energy and work into this sport. The team has played six games with four wins and two losses.

Yes, it has been a very exciting and thrilling year with keen competition, but Northern Lebanon has always come through. Many thanks also to Miss Martha Mummau, who has encouraged the team onward.

Fun

A black and white photograph of a snowy landscape. In the foreground, a path of dark footprints leads from the bottom left towards the center of the image. The path is composed of two parallel lines of footprints. The background is a vast, flat, snow-covered field that stretches to a distant, dark horizon. On the left side, there are some bare, thin trees or bushes. The sky is a uniform, light gray, suggesting an overcast day. The overall mood is quiet and contemplative.

As these footsteps in the snow
venture into the distance, so do
we seniors venture into the future.
And as our yearbook comes to a close,
so does our school year. The 1963-
1964 yearbook staff wishes to con-
gratulate the graduating seniors, and
wishes the best of luck to all of
the underclassmen. We hope that
this book has brought back to you
a few memories of the school term,
and we hope you will cherish them.
